Bids Rejected; Job Postponed One Year

Ishpeming City Hall, bids rejected; job postponed one year. Ishpeming, Mich., 1960.

Council action, by resolution, cancelled the present year’s bid for the construction of the new Ishpeming City Hall. The action was taken on the recommendation of city engineer, who stated that the bids were all too high and that the city would not be able to afford the cost.

The project is for the construction of a new City Hall to replace the present one, which is too small to accommodate the city’s needs. The new building will be located on the site of the old one and will include additional office space.
